

Results of the 2007 Most Active Operator Competition

Contributed by DL5XX

here you find some preliminary results for our Most Active Operator Competition. The results are not yet final since logs can be uploaded until January 15th and the results are not yet checked.

Here is the actual status of the competition for this year. As you know, you can upload your logs

any time to increase your actual score. MixedCWSSBRTTY/Digi{mosmodule
