

Final Results of the Most Active Operator Competition 2009

Contributed by DL5XX

RRDXA is proud to announce the final results of the Most Active Operator Competition 2009. What an incredible race! As in 2008, far more than 600.000 QSOs were made, most of them in CW.

Here are the final result:

652.922 QSOs are in the log of which 50,75% were in CW, 33,2% in SSB, 16% in DIG modes.
